America's Next Fraud Pandemic?

Are insurers prepared for the coming fraud wave? Protect against bad actors and learn the schemes involving telehealth.

Illegal Kick-Backs

Payouts for prescribing durable medical equipment and ordering test and other services..

Phantom visits

Billing for non-existent visits. They can proliferate because patients don't physically sign in.

Misrepresented Bills

Charging for higher reimbursements. Check CPT codes carefully.

Unbundling

Billing procedures as separate claims to increase reimbursements.
